

University: UNIVERZITET DONJA GORICA PODGORICA

Dear partner,

At the University of Cadiz we are working on the Call for incoming students for the 2025-26 academic year. The Call will include the grants of the 2023 and 2024 projects.

In all the countries the grant we applied for was bigger than the grant we were awarded with in the Final resolution (we haven't received all the funds we applied for). This is the reason the Team of our Vice-Rectorate for Internationalization has agreed to distribute the grants in an equal way depending on the mobilities applied for each Partner Institution, the priority fields of collaboration and available funds. The aim of this document is to inform you about the distribution of the grants awarded in the projects. We took into consideration the common interests of the Partner University and the UCA, the projects and aims of collaboration with each Partner Institution and the aims of the Internationalization established in the III Strategic Plan of UCA and in the Strategic plan of each partner Institution, which the partners have informed us about.

Only the grants/mobilities of the Student incoming mobility for 2025-26 academic year are included in this letter. If we can't issue all the mobilities indicated in this letter with each partner University, we will discuss it with each partner University.

Taking into consideration all this information we have agreed the next distribution of grants of the Call for UCA's incoming students mobility with your University for the 2025-26 academic year:

1. Incoming students (student from UNIVERZITET DONJA GORICA PODGORICA coming to the UCA in order to study at the UCA): **4 students** (Degree/Master/PhD, in total)

Additionally, your university can nominate 2 students for "zero" grant in this Call.

We will inform you about the new Erasmus+ KA171 Calls for incoming Students as soon as it is approved for the 2025-26 academic year.

Please, confirm you **have received** this email and **accept the distribution** of the grants we propose you.

Kind regards,

MARCELA YASMIN IGLESIAS ONOFRIO

Vicerrectora de Internacionalización de la Universidad de Cádiz
