**LEARNING AGREEMENT:** Students can choose courses from different fields of study, but are advised to select most courses from the same field of study to guarantee timetable compatibility. Studies can be combined with an internship.

**ECTS:** Recommended workload: minimum of 20 ECTS and maximum of 30 ECTS per semester

**(1)** A minimum of five (5) students is required for this course to be fully taught in English. If fewer students enrol in the course, tutorial/individual support in English will be provided.

**(2)** Duration: 2 months

**(3)** Internship supervisor

**ESTIG** - School of Technology and Management

**ESA** - School of Agriculture

**CLC** - Language and Culture Centre
